IMPORTANT INFORMATION (Please read):

Permission to be photographed.

The student and/or guardian (if student is under 18 years of age) understand that a student picture can be taken and used on the WHS Evening website for the purpose of showing students engaged in classwork or academic endeavor. A student's picture will not be used for any commercial purpose and will never be released to social media sites.

Upon registration, a student's picture will be taken to assist staff in identification of students and for possible use in a slideshow prior to the graduation ceremony.

All monies owed to Winnacunnet High School should be paid upon registration to the Evening High School. At the start of the year, we will be sending a list of all Evening High School students to Winnacunnet's food services and the library to determine which students have a balance with either of these Winnacunnet High School departments.

Cellphones. Students are not allowed to use their cellphones while in class unless they have the express permission of the teacher or the director. **NOTE:** Winnacunnet high school does not allow personal devices to log onto their wifi network.

Technology. Computers are made available for the use of all students while at evening classes. However, these computers must remain in the building at all times and students are not permitted to take them home. All students receive a google drive account and can store all class work on their drive as well as utilize the gmail account made available to them. Students are never permitted to go onto social media sites or in any way utilize the technology for anything other than class work. Misuse of the school's technology is cause for removal from the evening high school program.
